

Fairfest 2022 instructions for stallholders

Thank you for signing up to come to Fairfest 2022.

We look forward to seeing you and I now enclose further instructions for the day.

Woodfield will be open from 9 am on the 5th of June and Fairfest starts at 12 noon.

When you arrive you will be directed to your allocated Area this will be approximately 2 m wide. If you need more space please let me know.

Please note that unless you have requested it we would ask you to move your car to the parking area once you have set up your stall if you need to have your car next to your store during the day please let me know if you haven't already done so.

We do not provide any tables or gazebos or electricity. Please note that if it is windy any gazebos will be need to be firmly tied down as the site is exposed .

Fairfest will end at 5 pm and we request that you stay until that time.

Fairfest 2022 has a strong Jubilee theme.

We look forward to seeing you on Sunday, June 5

I attach a copy of our program below.

Note that you have requested a space in the marquee. The setting up instructions are the same as those for outdoors. The sides of the marquee will be open if the weather is good.
