Improving your water supply: replacing ageing pipes

Project Update: Friday 25 September 2026

Headlines this week: From Monday a new project manager, Mark, will be taking over the Fairlight scheme, replacing Ryan who is moving on to new projects. We thank Ryan for his contribution and welcome Mark to the team.

What's happening next week (w/c 28 September 2026)

- **Fyrsway, lower half:** We will be starting trial holes to locate existing services before beginning work to complete the new service connections.
- **The Avenue – Lower Waites Lane to junction of Broadway:** We will be continuing with service laying.
- **The Avenue – Lower Waites Lane to Broadway Junction:** We will be testing and commissioning including water sampling.

Working hours

- 8am–6pm, Monday to Friday.
- The Highway Authority allows us to work from 8am to 4pm two Saturdays a month.
- **All planned dates and activities remain subject to change due to factors such as ground conditions, environmental constraints, utility conflicts, weather, regulatory approvals, and other operational requirements.**

Traffic and access

- Access will be maintained, with a temporary give-and-take system to help keep traffic flowing safely.
- Road closures and diversions remain in place around work areas.
- Please note that local road signs are legally enforceable under a Traffic Order. Help us keep the neighbourhood safe by leaving all signs in place.
