What went well

Having it over 2 days seems to have gone well.

(B) well received many pleads including from the barkeepers for the burgers and sausages from Rob Robinson. ~~We ordered 400 of each should~~
~~that be more we could probably have sold at least 10 more of each.~~

The Archery was a big hit as was the welly wanging. ~~We are used to~~
~~have more have a go things or a "sports day" with egg and spoon race etc~~
~~and show off only~~

The Quince (B) this well received as was the face painting. ~~Maybe get~~
~~performance group instead~~

The Cart races worked well.

Probably was good but maybe need to try to reach more of the village ?
~~more to house building~~

See notes, was a good time but some critical instructions not what
