

MEMORANDUM FOR MEETING, 10:00 a.m. Tuesday
16 May 2022

Present:	Jennifer Armella, JR	Robert Pearson - moderator, JR
	Harold Taylor, JR	Caroline Landis, JR
	Robert Pomeroy, JR	David Thomas, JR

Agendas for Review

Quarry General Resource (JR, Taylor, Carline JR) (Time: 10:00)

The minutes of the last meeting were taken, summarized, there were no motions arising.

Financial review

We discussed card readers. The Rogers have purchased two and we will discuss with them whether we can borrow them. The decision that two were probably sufficient but they anticipate one of our cars as well.

We will decide whether to make a donation to the car material fund after Carline has been paid.

Carline then being demonstrated to enter their bank details for payment for the JR

Fieldwork 2022

- 1. The mapwork will be conducted on Thursday, everyone will be present to make sure that the map is properly stored in a suitable place.
- 2. Caroline Thomas will covered the electricity on Tuesday morning from 10:00 until 12:00 until we can discuss on Friday when George arrives and the digging for the tanks. There will be a feedwater for both tanks.
- 3. Tablets were agreed that Harriet will be doing the table without someone will need to clear them on Tuesday morning before the two tanks.
- 4. The map has been entered by Robert and most other will be on site from 10:00 until Tuesday (JR)
- 5. Digging last Harriet has had stop go signs. It will last for 10:00 as they make the system more.
